128 Years of Goldhanger Parish Magazine

There has been a Parish Magazine since 1895 when the Revd. Frederick Gardner started it shortly after being appointed Rector at Goldhanger. In all those years there have only been a few breaks in publication, most notably during both World Wars.

All articles (ideally in PDF or plain text) to be submitted by midnight on the 15th of February, and advertising (including For Sale and Wanted) by midnight on the 13th of February please. Please contact the editors if you have any questions about your article.

Please note: We cannot guarantee the delivery date of your magazine. Please bear this in mind when advertising functions at the beginning of the month.

This magazine is run entirely by volunteers and relies on donations and advertising to fund it. It costs approximately £1 per issue to produce. We print about 350 copies each month.

Donations can be made at any time. Cheques made payable to **Goldhanger Parish Magazine** please - or you can go to the Goldhanger website and make a donation online.

Current and previous issues of the magazine are available in glorious technicolour from the Goldhanger website at: www.goldhanger.org.uk.

VILLAGE HALL UPDATE

As we move into 2023, the village hall committee have ideas for the continued updating of our lovely hall and surroundings.

To this extent the next major projects will be

Replacing the kitchen ** Decorating the main hall

We would love to hear from anyone in the village who might be interested in getting onboard to help us in any way. Initially we will be looking at kitchen designs, budget and funding. Any experience, whether work within your own home or as a job, could help us out with this project.

You don't need to join the VH committee to help with this – just get in touch with Anton 788538 or any member of the committee for a chat.

We will be having a spring work party to tidy up the surroundings so if you would like to help, contact us with your telephone number and we will advise you of the date when known.

If you are interested in joining our committee then please contact Anton. We have quarterly general committee meetings with the occasional meeting of a sub-committee so not too onerous.

God of peace and justice,
we pray for the people of Ukraine today.
We pray for peace and the laying down of weapons.
We pray for all those who fear for tomorrow,
that your Spirit of comfort would draw near to them.
We pray for those with power over war or peace,
for wisdom, discernment and compassion to guide their decisions.
Above all, we pray for all your precious children, at risk and in fear,
that you would hold and protect them.
We pray in the name of Jesus, the Prince of Peace.
Amen

Sign the Essex Food Waste Pledge for your chance to win

Local authorities across Essex have come together to tackle food waste in the County.

Maldon District Council are joining other local authorities across Essex to support Love Essex's flagship 'Love Essex, Love Food' campaign in a bid to reduce food waste across Essex during 2023.

In Essex, food waste currently makes up roughly 25% of the waste found in the general rubbish.

Not only is this contributing to climate change, but it's also a huge waste of money.

Did you know, the average Essex household wastes £60 a month by throwing away food that could have been eaten?

This is why Love Essex are giving residents the chance to win the equivalent amount in supermarket vouchers every month throughout the year.

All you need to do is sign the [Essex Food Waste Pledge](#), and take part in the monthly challenges.

Councillor Penny Channer, Leader of Maldon District Council said, "I am pleased to join with our neighbouring authorities in Essex to support this important campaign and help reduce the amount of food waste produced in the County.

"I hope that the campaign will raise awareness of the importance of reducing food waste and help residents save more money during these difficult times and encourage residents in the District to sign the Essex Food Waste Pledge."

To launch the campaign, Deadline Communications have created a humorous short film to highlight the issue of food waste. The film made the most of local talent, using Essex-based voice actors, puppeteers, and animators. It was filmed in a local studio in Rochford.

The film premieres at 10am on Wednesday 11 January. Watch the film at <https://www.youtube.com/watch?v=S9smVgD924k>

To find out more information or to sign the Essex Food Waste Pledge, visit loveessex.org/foodwaste

Ministry Team Message

February 2023

February is a tidy month. Its 28 day symmetry gives a neat four-weeks-exactly order. February is an intriguing month too. It drags its feet with debilitating slowness; yet at the same time flies by. It disrupts the more normal 31/30 rhythm we live by for the rest of the year: July and August [31/31] excepted. February surprises us every fourth year with the occasional extra day. It takes 365 days 6 hours for the earth to orbit the sun, accruing an extra measure of time that has to fit somewhere. Hence, every fourth year we have a 29 day February.

An extra day. Just twenty four little hours. What a difference a day makes.

February always surprises me: all of a sudden, it's March. For me, the notion of a day pieced together from bits and pieces of other years holds amazing possibilities. What would happen if we gathered up the remnants of our own time each day? How much do we value our days? Each moment we might learn from the beauty and the tragedy of life, from the earth, from people everywhere and their stories, and by listening to the gentle rhythmic pattern of life's heartbeat.

The song What a difference a day makes, first released in 1959, is unashamedly a romantic love song about the power of love. Romantic love is one of life's joys celebrated on 14th February, St Valentine's Day. The words that stand out to me are not kisses though in this song but these: rainbow, heaven; and this, 'What a difference a day makes and the difference is you.' Somewhere there's a deeper yearning.

A rainbow is a sign of God's promises, heaven only visible through-a-glass-darkly-love.¹ What could life on earth be were God's kingdom to come and his will be done? Would life be richer if we set out on the journey to discover a deeper kind of love, reaching out to everyone we meet?

As Christians, we believe that Jesus filled his days on earth with love and kindness bringing healing and wholeness here on earth even in the present moment. For us, his birth, changed the nature of who we are, what we are able to be through God's grace with the gift of his son to all people for all time. What a difference a day makes.

What a difference a day makes when Jesus is led to the cross; and is crucified and dies not for one sin, but for all and everyone's: his life given for ours. This year, Lent, a period of reflection before Easter, begins on February 23rd. In the church year, Lent is a time for us to think on the way of love, Jesus' life, and examine our own life.

One day last year, 24th February, began a war of death and destruction for Ukraine and its people, the land, towns and villages but not to Ukraine's heart and soul. Writing this on 27th December, we see every day these people stand against hate and destruction, aimed at them from Russia, in hope that things will be better that they will in time win. Another day will come to make all the difference.

Tragedy and joy knock somewhere on every day's door. Mostly, we have no control over where these things come. Can any of us learn to spend our days wisely, learning & practising more about how to be loving and kind in all we do? What a difference a pursuit of love and kindness might make this February. (Fn1. See 1 Corinthians 13)

Recipe of the month

Caponata Pasta

It's simple to make, budget-friendly and packs three of your five-a-day into one delicious meal.

Serves 4

Prep 2 minutes, **cook** 18 minutes

Ingredients

- 4 tbsp olive oil (or use the oil from your chargrilled veg, see below)
- 1 large onion, finely chopped
- 4 garlic cloves, finely sliced
- 250g chargrilled Mediterranean veg (peppers and aubergines, if possible) from a jar, pot or deli counter, drained if in oil (you can use this oil in place of the olive oil) and roughly chopped
- 400g can chopped tomatoes
- 1 tbsp small capers
- 2 tbsp raisins
- 350g rigatoni, penne or another short pasta shape

Method

1. Heat the oil in a large pan and cook the onion for 8-10 mins until starting to caramelise (or for longer if you have time – the sweeter the better). Add the garlic for the final 2 mins of cooking time.
2. Tip in the mixed veg, tomatoes, capers and raisins. Season well and simmer, uncovered, for 10 mins, or until you have a rich sauce.
3. Meanwhile, boil the kettle. Pour the kettleful of water into a large pan with a little salt and bring back to the boil. Add the pasta and cook until tender with a little bite, then drain, reserving some of the pasta water. Tip the pasta into the sauce, adding a splash of pasta water if it needs loosening. Scatter with the basil leaves and parmesan, if you like, and serve straight from the pan.
