A Goldhanger Curate's part in acquiring the Koh-i-Noor Diamond

You may have read recently that Queen Camilla has asked that the Koh-i-Noor Diamond (spelt many ways) be removed from her coronation crown due to the controversy surrounding its original acquisition in India. What is little known is that a Goldhanger Curate had a small but significant part in that acquisition.

The Revd William James Jay (B:1827 D:1869) started his career in this village as a young Curate in 1847 having just graduated from Cambridge. After just two years he moved to India to join the East India Company. While a priest at the Fatehgarh CoE church in Uttar Pradesh he found himself teaching the eleven year old Maharajah Duleep Singh, who was the last Maharaja of Lahore and the Sikh Empire. The Revd Jay converted the Maharajah to Christianity and baptised him in March 1853.

It seems that the 25 year old Priest had albeit unwittingly created the circumstances in which the British Empire were able to acquire all the Maharajah's lands in Lahore and the Punjab, and also the transfer of that famous diamond to Queen Victoria in 1854. The main perpetrators of the conspiracy were undoubtedly the Viceroy of India, Governor-General Dalhousie and a surgeon called Dr. Login.

In 1860 the Revd Jay returned to England and became Chaplain at the East India Chapel at Poplar in east London. Later when Queen Victoria gave Elveden Hall near Thetford to the Maharajah, he installed Revd Jay as Rector there. In 1866 Revd Jay christened the Maharajah's son Prince Victor Albert Jay. Eight months later Queen Victoria ordered a second christening at Windsor Castle with the Queen as godmother and Revd Jay as godfather.

The Revd Jay died in 1869 and was buried in the Elveden Churchyard close to where the Maharajah himself was later buried. There is a window dedicated to the Revd Jay in St Catherine's College, Cambridge.

here are two of the documents in the archives...

MY DEAR DR. LOGIN,

I think the Maharajah has quite sufficient head knowledge of the truths of our holy religion to justify his receiving the sacrament of baptism. How far his heart is touched, you have better opportunities than I, a comparative stranger, have had of judging. I have gone through the Gospel of St. Matthew with him carefully, and I never spent any time with greater pleasure and satisfaction. The young Maharajah was uniformly careful, attentive, and earnest.

Yours very truly,

W. J. JAY,
Chaplain of Futtchghur.

a letter from Revd Jay to Dr Login

DEATH OF THE REV. W. J. JAY.— The death is announced of the Rev. William James Jay, M.A. He was educated at St. Catherine's College, Cambridge, where he took his B.A. degree in 1847, and was ordained to the curacy of Goldhanger, near Maldon. Shortly afterwards he obtained from the East India Company the appointment of assistant chaplain, and was stationed at Landown, in the diocese of Calcutta. He afterwards returned to England, and was for a short time minister of the East India chapel at Poplar. In 1866 he was presented by the Maharajah Dhuleep Singh to the rectory of Elveden, which he held until his death.

a death notice in an Essex newspaper

We learnt this piece of local history about twenty years ago when the Revd Jay's great granddaughter came to see the location of her ancestor's first appointment before he moved to India and she kindly allowed us to copy a few press cuttings.

Maldon District Residents Need Photo ID To Vote At Elections On 4 May 2023

For the first time, residents in Maldon District will need to show **photographic ID** to vote at this year's local elections. Residents are being urged to make sure they are ready to vote in May by checking they have an accepted form of ID.

Accepted forms of ID include a UK, European Economic Area (EEA) or Commonwealth passport; a UK, EEA, or Commonwealth drivers' licence; and some concessionary travel passes, such as an older person's bus pass or an Oyster 60+ card. Voters will be able to use expired ID if they are still recognisable from the photo.

Anyone who does not have one of the accepted forms of ID will be able to apply for free ID online at www.voter-authority-certificate.service.gov.uk/ or by completing a paper form.

The full list of accepted ID is available on the Electoral Commission's website, along with more information about the new requirement and details of how to apply for the free ID, at electoralcommission.org.uk/voterID.

Ailsa Irvine, Director of Electoral Administration and Guidance, said:

"Anyone voting at a polling station in England this May will need to show photo ID before they can be given their ballot paper. It's important that everyone understands what types of ID they can use, and how to apply for free ID if they need it. You can find information about the new requirement and what to expect at the polling station on the Electoral Commission's website."

Paul Dodson, Returning Officer at Maldon District Council, said:

"With elections taking place in Maldon District on 4 May 2023, it is important that those who want to vote make sure they have an accepted form of ID. It may seem early but checking now means you will be ready to vote in May.

"Residents who do not have one of the accepted forms of ID can apply for free ID either online or by completing a paper application form and sending this to Maldon District Council's electoral services team. If you need any help with applying for the free ID or want to request an application form, contact the electoral services team on elections@maldon.gov.uk

Anyone who wants to have their say in the elections this May must also be registered to vote. It only takes five minutes to register online at www.gov.uk/register-to-vote. Voters wishing to apply to their council for free ID should first make sure they are registered to vote.

The requirement to show photo ID at the polling station, is a new requirement, introduced by the UK Government's Elections Act which was passed last year and **comes into effect for the first time this May.**

HICKORY

Fruit and nuts

There are sixteen species of Hickory, thirteen in America and three in Asia.

Hickory wood is shock resistant and is much used for making the handles of tools such as hammers and axes.

The wood is also pliable and is used to make the orchestral conductors baton.

Grandfather clocks used to be made of Hickory wood. Hence the Children's Rhyme:

Hickory dickory dock
The mouse ran up the clock,
The clock struck one
the mouse ran down,
Hickory dickory dock.

2. Introduction

Despite being designated a very small Parish, with volunteer Councillors, and a very small precept (income), we have over the last year added to our facilities; including the seat and picnic bench in Marigold wood, together with a community orchard and maintained our assets with a project that has much improved the footpath path in the playing field.

I do however note that while compiling this report all the areas of concern in the village that are managed by the larger authorities and organisations; Essex County Council, Highways Essex and Maldon District Council have typically not been actioned, and in many cases even responded to despite many chase ups!

I would also like to remind all residents that local elections take place this year in May and that photo ID or a voter ID document is now needed when voting.

4. Highways

While the current SID (speed indicating device) continues to limp along with much effort from Councillors who take the time to charge the batteries to keep SID working, a further funding application has been made for a new device which we should hear about soon.

Parking within the village

Parking around the village is becoming more problematic year on year as the numbers of residents vehicles increases and also the numbers of visitors increases.

Parking patrols were booked for various locations in the village during busy periods and additional advice from the Essex Association for Local Councils (EALC) was to suggest residents write polite notes and leave on cars parked illegally, or inconsiderately.

(from 2022 report) Bus cage markings were applied for during 2021/2 at the bus halt on Head street (near the junction with Maldon Road) to improve sight lines on the corner and to benefit residents, this has not yet been implemented by highways.

Parking on the verge in front of the Moat development on Maldon road causes problems with sight lines pulling in and out of the development, Moat were asked to review what can be done to improve the situation during 2021/2 but have not replied to any Parish Council correspondence.

Parking at the bottom of Fish street is problematic when cars (typically visitors) block the access to the park gate (needed for grass cutting vehicles and emergency access to the seawall) and also park on double yellow lines, which can cause obstructions for larger traffic accessing the farm.

The Parish Council appeals to all residents and visitors to park legally and considerately.

Accidents

Again this year we have seen a number of accidents in our Parish, on the road between Wash Bridge and our boundary on the D'arcy side and indeed yet another occurrence of Wash bridge being demolished. The Parish Council have followed up correspondence sent some years ago suggesting an alternative to brick or other measures to slow the approaching traffic, as yet no reply.

We remain keen to keep track of accidents, as this data is not held by any other parties. Collecting this data will give us an evidence base which we can call upon, should we request any safety improvement works in the future.

So please email myself or other Councillors details of any accidents you may see, you do not need to have witnessed the initial incident.

Bus stops

The Bus stop in the square was damaged by a bus but the bus company have not been forthcoming with any reimbursement of repair costs.

5. Playing Field, Woodland and Leisure

New gates have been fitted to the playing field following an incident with the grass cutting equipment.

Park and playground

The Path along the side of the playing field was resurfaced last Autumn and has been very successful during the winter, as the surface has good drainage and has not got muddy. The roundabout has also been overhauled.

Marigold Wood.

Marigold Wood has a new new park bench and picnic table and this year will see a small “community orchard” planted in commemoration of King Charles’ coronation.

Allotments

Councillor Clive Cheeseman has continued to administer the allotments and if you are interested in having a plot, please contact him.

6. Neighbourhood Watch

Malcolm Holmes with his team has continued to keep us all informed of the latest issues and circulated relevant Police crimes reports for the Maldon District. (although its been thankfully quite in recent months)

Please see the Parish Magazine for further details and contact Malcolm (goldhangernw@outlook.com) if you wish to receive emails.

Goldhanger Matters has been superseded by the success of the facebook “Goldhanger Support Group” and together with the Goldhanger Neighbourhood Watch emails is a way of keeping in touch with anything local.

7. Precept

The Parish Precept is a tax on each property to fund the activities the Parish Council undertakes for the benefit of the community and forms a very minor part of your total Council Tax charges. The Council Members work hard to keep this as low as possible by undertaking many tasks themselves.

Circa £9095 pa is required to meet our recurring expenditure for our legal obligations associated with Parish assets. To allow for other projects considered desirable for the Parish the 23/24 precept was set at £10,500 , In view of our low turnover it is considered prudent to maintain one year's expenditure in reserve for the unexpected.

8. Defibrillators

The village defibrillators continue to be monitored and maintained by volunteer councillors.

9. Maldon Road, Moat Development flooding

I include the same paragraphs as the last 3 years report, correspondence with Highways and Essex County Councillors has been futile.

(2020)Maldon Road drain flooding/overflowing, during sustained rain or flash downpours, has been an issue for a number of years.

some work was carried out on the drains in the verge in front of the moat development during 2021, but the Parish Council believe a blockage exists further downstream in the ditch system, so the situation will continue to be monitored and progressed where necessary.

(2021)In the last few weeks after a year of accelerating our issues upward and finally to our local MP we have had some investigative works started by highways on various problem flood spots throughout the village.

The investigative works were interrupted by more urgent issues and to date have not been completed!

Fish street flooding

Despite further recent correspondence with Highways and Essex County Councillors there has been no progress by those responsible. And I enclose last years paragraph.

(2022)The surface water drains in Fish street have also been problematic for a long time and are included in the unfinished investigative works described above. In addition, the Parish Council have proactively investigated some of the drain routing and causes of the issues during 2021 and are chasing the relevant bodies for a resolution.

10. Website

Thanks goes out to our host Christopher Smith for maintaining our website.

11. Speedwatch

There were Insufficient volunteers to re-apply to create a speedwatch group.

12. Village Hall

The Parish Council have continued to support the village hall.

13. Jubilee & Death of HM the Queen

The Village celebrated the Queens Platinum Jubilee with a programme of events including: Sailing gala and hog roast, flower festival, open gardens, Festival with live music at the village hall, classic cars and a big jubilee lunch. This was Sadly followed later in the year by Her Majesty's death. This was marked in the village by a condolence book and the reading of the proclamation announcing King Charles III.

14. Coronation of King Charles III

The Village looks forward to the festivities in May celebrating the coronation and have planted a small community orchard in Marigold Wood.

I would like to thank Julie, our Clerk, for her service supporting and guiding us, and all Councillors for their dedicated work which enables us to continue to minimise the precept.

The Miracle of My Tree

This is a miracle to me,
To see stars shining through my tree,
A tiny slip, to see it grow
Until tonight I stand below
And watch branches swaying to and fro
Shedding their Autumn leaves, and see
The bright moon shining down on me:-
A miracle that this, my hand,
Once held this tree, 'neath which I stand.

Sign the Essex Food Waste Pledge for your chance to win

Local authorities across Essex have come together to tackle food waste in the County.

Maldon District Council are joining other local authorities across Essex to support Love Essex's flagship 'Love Essex, Love Food' campaign in a bid to reduce food waste across Essex during 2023.

In Essex, food waste currently makes up roughly 25% of the waste found in the general rubbish.

Not only is this contributing to climate change, but it's also a huge waste of money.

Did you know, the average Essex household wastes £60 a month by throwing away food that could have been eaten?

This is why Love Essex are giving residents the chance to win the equivalent amount in supermarket vouchers every month throughout the year.

All you need to do is sign the [Essex Food Waste Pledge](#), and take part in the monthly challenges.

Councillor Penny Channer, Leader of Maldon District Council said, "I am pleased to join with our neighbouring authorities in Essex to support this important campaign and help reduce the amount of food waste produced in the County.

"I hope that the campaign will raise awareness of the importance of reducing food waste and help residents save more money during these difficult times and encourage residents in the District to sign the Essex Food Waste Pledge."

To launch the campaign, Deadline Communications have created a humorous short film to highlight the issue of food waste. The film made the most of local talent, using Essex-based voice actors, puppeteers, and animators. It was filmed in a local studio in Rochford.

Hate Crime in Essex

Hate Crime is the generic term we use to discuss both Hate Crimes and Hate Incidents.

Hate crimes are any crimes perceived by the victim or any other person to be motivated by hostility or prejudice.

Hate incidents feel like crimes and often escalate to crimes or tension in a community.

Both can be toward personal characteristics:

- Race: including Ethnicity, Nationality, National Origin, Colour, Gypsy, Roma and Traveller Communities
- Religion or Belief: including Non-Belief
- Gender Identity: including Trans, Non binary and Gender Fluid
- Sexual Orientation: including Gay, Lesbian and Bisexual
- Disability: including Learning, Mental Health, Physical and Sensory disabilities

Essex Police co-ordinate a network of Hate Crime Ambassadors and Hate Incident Reporting Centres (HIRCs) throughout Essex. This was to meet with one of the recommendations of the Inquiry by Sir William Macpherson into the horrific murder of Stephen Lawrence in 1993.

The role of HIRCs is to provide a drop-in service that can be accessed by victims and witnesses of hate crimes and incidents, with an option to report confidentially. HIRCs are also intended to support and encourage reporting of hate crime within the community by providing an environment in which victims of hate crimes and incidents will feel safe and supported. HIRCs effectively provide third party reporting facilities for victims and witnesses. HIRCs endeavour to improve information sharing between partner agencies and to increase community safety).

The network consists of 60 Hate Incident Reporting Centres, which are community based organisations and locations. The Hate Incident Reporting Centres have some staff who are Hate Crime Ambassadors, but most Hate Crime Ambassadors are not associated with a Hate Incident Reporting Centre. <https://www.essex.police.uk/advice/advice-and-information/hco/hate-crime/how-to-report-hate-crime/>

There are about one thousand Hate Crime Ambassadors in the network, who are front line people, volunteers and professionals who can identify victims of hate crime
